

## Second Review of Scottish Parliament Boundaries Draft front section of final report

### For discussion

1. Attached at Appendix A is the draft front section of the final report. Appendix B contains examples of the Final Recommendations appendices for the three Council groupings of Fife; Perth; and Dumfries and Galloway.
2. The Commission is asked to provide views on: -
  - the proposed style, content and layout of the front chapter.
  - the style of the appendices for the three constituencies.
  - whether there is a preference for individual maps or one map for each Council grouping (please see example in Fife appendix which contains both)
3. The Secretariat is in contact with the Sponsor Team about the process for submitting the report to Ministers. We are also in discussions with APS about design/proof reading services and meeting accessibility guidelines.

### Conclusion

4. The Commission is invited to consider the first draft of the front section and provide comments. The Secretary is happy to receive comments both before and after the Commission meeting.
