

Second Review of Scottish Parliament Boundaries Draft front section of final report

For discussion

1. The Commission considered the draft front section of the final report and a sample of appendices (Dumfries, Fife, Perth and Kinross groupings) at the November meeting.
2. Attached at Appendix A is the updated draft front section of the final report which includes suggested amendments from the last meeting and further detail in the analysis section. The analysis is based on the Provisional Proposals for regions and Further Proposals for constituencies and will need to be updated further.
3. Also attached are the draft appendices for six of the constituency groupings where the final recommendations have been agreed (subject to satisfactory constituencies being designed in neighbouring areas).

Conclusion

4. The Commission is invited to consider the updated version of the front section and the six draft constituency appendices. The Secretary is happy to receive comments both before and after the Commission meeting.
